

# ANGEL THERAPY™

AWAKENING. SHIFTING. HEALING. INSPIRING. ENLIGHTENING.

## HEED YOUR ANGELS, HEAL YOUR HEART

**YOUR ANGELS ARE ALWAYS HERE FOR YOU. LET THEM GUIDE YOU IN ALL AREAS OF YOUR LIFE.**

Angel Therapy™ is a non-denominational spiritual healing method—created by internationally renowned clairvoyant, Doreen Virtue—that involves connecting with a person's soul, guides, guardian angels, and archangels to aid in healing and harmonizing every aspect of one's life.

With the use of beautifully inspired oracles cards, an Angel Therapy Practitioner™ can help you tune-in with your angels and guides so you can open to receive their life-changing messages in a way that is gentle, loving and non-judgmental.

**Angel Therapy™ sessions can be in-person, online or by phone.**

### Maggie Kalas
